We depart DOOLEYS Church St Entrance at 8.30am. We head south to the magnificent Fitzroy Falls at Morton National Park. We will stop at a suitable location for morning tea.

Here, we make a stop at the Visitors Centre to admire the Water falls cascading down the sheer cliff face, travelling onto Kangaroo Valley - a quaint village nestled at the base of the Cambewarra Foothills and surrounded by towering sandstone cliffs.

We stop for half an hour before travelling to Berry Bowling Club for lunch. After lunch there will be time to explore the shops in Berry with a visit to the treat factory. After a fabulous day we return to DOOLEYS Church St Entrance approximately 5.30pm.
